Tell Me Now

Words by Liun May

Tell me now have you ever thought
that someone could seem so tough
until faced with love.
Tell me now have you ever believed
that whenever I closed my eyes.
I could still see your smile.

Together we will talk about
the songs we used to sing along.
Together we will laugh about
the times we had to be alone.

Oh ANGEL
There's a mountain in the sky
down here it's painful.
Can't you give me wings to fly?

Oh ANGEL
There's a flood below my feet
it's gonna be painful.
Am I talking to a wall?

Tell me now have you ever thought
that someone could seem so tough
untill faced with love.
Tell me now have you ever believed
that whenever I closed my eyes.
I could still hear you say.

Together we will talk about
the songs we used to sing along.
Together we will laugh about
the times we had to be alone.

Oh ANGEL
There's a mountain in the sky
down here it's painful.
Can't you give me wings to fly?

Oh ANGEL
There's a flood below my feet
it's gonna be painful.
Am I talking to a wall?

ANGEL
There's a mountain in the sky...
